MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Clandestine Service Collection of Scientific and Technical Information

REFERENCE: Your memorandum dated 7 July 1972, Same Subject

Although there are various specific scientific collection items on which we now work closely with DDS&T, I agree with your thought that we should look into procedures for institutionalizing regular coordination. I will have the FI Staff, as a focal point for the Clandestine Service in this area, institute a dialogue with DDS&T representatives and propose that we jointly, at a later date, report back what has been worked out.
